## **The City of Riverside** Is Seeking an Experienced And Dynamic Professional to Serve As Environmental Compliance Inspector I/II

**Salary Range \$4,250 - \$5,422 monthly\***

## THE COMMUNITY

Located in the Santa Ana River Valley approximately 60 miles east of Los Angeles and 100 miles north of San Diego, Riverside is the largest city in the Inland Empire and was recently named one of "America's Most Livable Communities". As the 12<sup>th</sup> largest city in California, Riverside has a diverse population of approximately 300,000, covering over 85 square miles.

## CITY GOVERNMENT

The City of Riverside was incorporated in 1883 and operates under the Council-Manager form of government established by City Charter in 1953. Seven members make up the City Council, elected for four-year terms by geographically designated wards (districts). The Mayor is elected at large and serves as Presiding Officer of the Council.

The City Manager indirectly supervises all City departments. Assistant City Managers supervise all thirteen city departments, as well as the City's financial operations.

Riverside emphasizes public participation through 17 advisory boards and commissions, which review issues and make recommendations on a broad range of topics.

## ENVIRONMENTAL COMPLIANCE INSPECTOR I/II

The City of Riverside Public Works Department, Sewerage Division is currently seeking an experienced professional to perform sampling and inspection work related to the administration of the City's Industrial Waste Ordinance; to ensure compliance with the NPDES Permit for the Municipal Separate Storm Sewer System (M4) and the Water Quality Management Plant (WQMP) for the Santa Ana region; to enforce the City's Industrial Waste Ordinances, storm water program, and sewer collection system.

The ideal candidate must have knowledge of: The Clean Water Act, chemistry and biology as related to industrial wastewater, sampling techniques and flow measurement, and desktop/ laptop computer operation skills. In addition, EC Inspector II must have a Grade II Certification and knowledge of all aspects of a Federally approved Pretreatment Program.

### Education and Experience:

Equivalent to the completion of two years of college (60 semester units or 90 quarter units), with at least two semesters of chemistry, supplemented by additional courses in biology or related sciences. Additional qualifying experience may substitute for the required education on a year-for-year basis. A Bachelor's Degree in chemistry, biology, environmental science, or a closely related field may substitute for the required education on a year-for-year basis.

Minimum of one year of experience in the field of industrial waste inspection or a closely related field. For an EC Inspector II, two years in industrial waste inspection comparable to that of an EC Inspector I in the City of Riverside.

### Certification Requirements:

Possession of a Grade I Environmental Compliance Inspector Certificate issued by the CWEA and a valid class "C" California Motor Vehicle Operator's License. An EC Inspector II must possess a Grade II Industrial Waste Inspection Certificate issued by the CWEA.

## BENEFITS

The City of Riverside offers an extremely attractive benefits package, including:

- **Retirement**-The City is a member of the State of California Public Employee's Retirement System (PERS) and provides employees with the 2.7% @ 55 formula. The City also pays the employee's contribution toward the plan.
- **Health Insurance**-The City offers two health insurance plans and contributes up to \$806 per month for employee and dependent coverage.
- **Dental Insurance**-The City provides two dental insurance plans and contributes up to \$45 per month.
- **Life Insurance**-The City provides and pays for term life insurance with accidental death and dismemberment equal to \$10,000.
- **Leave Benefits**-Includes all typical vacation, sick leave, bereavement leave and holiday benefits.

\*Appointment may be made at any step contingent upon qualifications of successful candidate.
